**£2.00**  
per book

# Going to Secondary School

Support for parents at transition

“What do children worry about, and how can I help?”

“What will be different at secondary school?”

Help prevent a dip in performance during the transition to secondary school.

- An invaluable resource to help families through transition
- Establishes good habits which will stay with students throughout secondary school
- Kick-starts a positive partnership between parents and the school
